

Thank You Donors

The Central Peninsula Health Foundation would like to thank the **Pink Ribbon Rally** committee, volunteers, participants and sponsors for their continued support of the Breast Cancer Resources Fund. *On September 4, 2014, the Pink Ribbon Rally Committee presented a check for \$30,000 to CPHF for a seven year total of \$132,000.00.*

“The Breast Cancer Fund was established by a group of local women who coordinate a golf & fundraising event to support the fight against breast cancer. This fund provides resources for the early detection and treatment of this all-too-prevalent disease.”
